HEALTHCARE VS. FINANCE "THROWDOWN"  
2019

## Stephanie Arnston

Stephanie Arntson is an Assistant Product Marketing Manager for MiHIN focusing on Interoperability Land™ (IOL). Stephanie is responsible for making business decisions on behalf of the product, assisting with the build-out of future stages and leading planning efforts for events where IOL will be showcased. Stephanie has over 11 years in medical administration/office management for a private physician office; three years marketing experience; and four years of Executive Administrative Assistance work at MiHIN. Stephanie received a BS in Healthcare Administration from Davenport University. Healthcare has been her passion for

many years and something that we all take a part in one way or another. Knowing she is playing a small part to improve interoperability in healthcare is what motivates her every day.
