CONNECTATHON

HEALTHCARE VS. FINANCE "THROWDOWN"
2019

Team Presentation Submission Requirements

Instructions:

Each team will be required to complete a presentation outlining the solution they worked on during the event. A PowerPoint template will be distributed for attendees to use and must include/respond to the below list.

Items to include:

1. Team Name

2. Team Photo

3. Challenge Theme Alignment (Can align to more than 1 theme)

4. What problem does your solution attempt to solve? Who is most affected by this problem? Why?

5. Describe your solution? Who benefits most from your solution? How?

6. What stakeholder participation would be required to make your solution viable?

7. What API's does your solution use? What aspect of the API's did your solution use? What value did the API provide to your solution?

8. What assumptions did you have to make about existing capabilities to make your solution work?

9. What capability gaps did you identify in the current ecosystem that would need to be solved to make your solution viable?

10. How does your solution improve quality of care, reduce costs or enable patient access?

11. Screen shots of any user experience
